Tue 26/07/2022	Group B	Rothamsted	10:00	10:45		The Paper Mill pub, Apsley	IOP St Albans	Alan Punter		<a href="https://ridewithgps.com/routes/40245218">https://ridewithgps.com/routes/40245218</a>	The theme of the ride is visiting the sites of all of the 11 old water mills along the River Ver - the water flow north of Redbourn was not strong enough for a watermill, and south of Bricket Wood, the Ver flows into the River Colne. Some have now largely disappeared, but many are Grade II listed and have been redeveloped into housing or offices or restaurants. Much of the workings of the watermill mechanism at Moor Mill can still be seen just inside the restaurant building. The route can also be also be done in some of all of 3 parts, either starting at Rothamsted or joining later at the Inn on the Park. The full route is: A) 10:45 leave Rothamsted and cycle to Inn on the Park, St Albans - taking in DoLittle Mill, Redbournbury Watermill, Shafford Mill and Pre/Prae Mill - about 8 miles. B) 12:00 leave Inn on the Park and cycle to Moor Mill, Park Street - taking in Kingsbury Watermill, Abbey Mills, Mud Lane/Fullers Street, Cotton Mill, Sopwell Mill, New Barnes Mill, Park Mill and finally, Moor Mill Beefeater restaurant for lunch (with bonus of one site enroute linked to Oliver Cromwell!) - about 6 miles. C) After lunch, cycle back from Moor Mill to Inn on the Park, via Bricket Wood, How Wood and Chiswell Green - about 5 miles.
