	Mr.Wyatt.	W	Mrs.Rumball.	"	Mr.Wooder.
	Mr.Bellchamber.	"	Mr.Drewett.	"	Mr.Stewart.

Luton & Western.

Mr.Jefford being unable to get the section going during 1980 asked if there was any members who would be willing to try it out and Mr. Ron Drew from Luton offered. He said that he could try and get a run each Friday from 3rd April and this offer was gladly accepted.

ANY OTHER BUSINESS

Mr. Collins thanked the meeting for the support they had given him in the formation of the new Stevenage & N.Herts Section.

(Waltham) Mr.Maxwell said that he thought that the giving of a Tankard to members when they reached the age of 80 years should be done by the club and with club funds. Many members spoke against this. It had all been spoken about before and it was after all just a gift from a few friends to a member. Mr.Pemberton said that we do not always find out when members attained that age, and if the club was to do this presentation it would mean that we had to know everyone's birthday. Folk who did not reveal this date might feel out of it, others did not want it. It had only started as a spontaneous gesture by Mrs.Engel and actually only about four members had received a tankard. It was agreed to leave it like it was.

Mr.Turner(Borfield St) spoke about the "Brighton Run" and suggested that members of the club should support the run. It was generally agreed that if members wished to do this then it was up to them, but the club could not support it as a body. Mr.Turner then agreed to find out when the run would take place and put the date in Signpost for anyone who wished to go.

Mr.Engel then mentioned the work that went on behind the doors of Mr. Newman's home on the duplicating of the Magazine and runs lists. Mr.Newman said that he quite enjoyed doing it and that he had enlisted the support of his family as well.

Mr. Stan Johnson offered help to Mr.Newman if he needed it at any time. Mr.Pemberton then said how Mr.Newman had collected from Mrs.Wilcox and delivered to Mrs.Gardner and Mrs.Ford all the items necessary for the preparation of the Magazines and reckoned that Bill did a good job. It took time and cost of petrol but Mr.Newman didn't mind that,

There being no other business the meeting closed at 2.10pm.

Dear Ian,

re your request for photos of current section members. Although we have a bit of a job getting enough of the N. Herts section together at one time to take a good group, here's one of a few of us at Wanfole Hall at the sections annual picnic ^{run} ~~picnic~~. (7/8/04)

They are:-

Standings L-R. Peter Jones, Peter Knight, John Dent, Roy Bannister and Zane Horton, Sitting, Bridget Bannister, Norm Farmer, our grand old nonagenarian, Arthur Fido.

All the best, see you at the road structure

Bill Cusack.

Minutes of Committee Meeting held on Saturday 31st January 1981. at the Castle, Public House, Cowcross St.E.C.1.

The meeting commenced at 12 noon and twelve members were present, Mr. Jefford and Mr. Rolfe (who had by then resigned) being absent.

The Minutes of the previous meeting were read and accepted, Prop. by Mr. Germain and Sec. by Mr. Finnimore.

The short minutes of the Special Committee Meeting held on Sunday 23rd November at 7 Perlieu Way, Theydon Bois were also read and accepted, Prop. by Mr. Wooder and Sec. by Mr. Germain.

MATTERS ARISING.

Mrs. Gardner read the letter received from the C.T.C. regarding someone from the Headquarters Staff to attend the 30 Year Celebration Dinner and propose the toast of "The Club"

Mr. Finnimore said that Easter Bookings at Duntisbourne Abbots Youth Hostel ended with 7 members to attend, this was considered very low. The Secretary then read the letter she had from the C.T.C. Regarding Bad Road Surfaces. The letter from the Victory Services Club regarding the cancellation of the dinner that we had hoped to have there, this now being arranged at the special committee meeting on 23rd November to be held at Tree Tops Hotel in Epping.

Mr. Wooder said that he already had the printed Tickets for the Dinner they were prepared by Mr. Kilby, who having already prepared some for the Victory Services Club that could not now be used had refused any payment for them.

Mr. Wooder suggested that we hired a Microphone for the Dinner and this was agreed to, after being seconded by Mrs. Ford.

The question of Toasts at the Dinner was next discussed, it was agreed that as the function was not for a very large assembly there would be no need for a "Toast Master". Mr. Wooder would call the Loyal Toast, a Representative from the C.T.C. would propose "The Club" and a response to this was to come from the Chairman, Mr. Trueman. Mr. Embürey would propose "The Guests", there being no need for a reply to that toast. The Toast of "The President" will be by Mr. Groom, our oldest Founder member attending the Dinner.

A History of the club had been prepared by Mr. Wooder and as it was rather a lot to go on the back of the Menu as had at first seemed possible it was agreed that Mrs. Ford would type a Stencil and Mr. Newman would print it, it would then be possible to insert one into each Menu for the table.

Mr. Wooder agreed to contact Mr. Kilby to see if the Menu could be printed by him, if he was unable then he would contact someone else.

Mrs. Gardner promised to buy the Table Lamp that was to be presented to Mrs. Wilcox as a token of appreciation for the 20 years of work she had accomplished for the magazine.

Mr. Finnimore suggested that a History of the club, as being prepared for the Dinner should be sent to all members with the next edition of the magazine and this was agreed to by all.

Mrs. Gardner read the letter she had received from our member Mrs. Bruton acknowledging the Donation of £10 which the club had sent towards the Fund for a Cycle Shelter in memory of her Daughter Joanna, and also suggesting that we hold the Re-Union on a Saturday this year. And at the Methodist Church Hall in Hertford. The matter was discussed at length and it was decided to refer this to the A.G.M. on 7th February to get some indication as to the feelings of members prepared to attend.

Mrs. Ford had earlier asked that members bring to the Dinner any old photos that related to club activities and she repeated this request, Mrs. Gardner said that she would bring up all the photos that she now had in her possession, they were formerly owned by our Late President Mrs. Mae Lang.

Dear Sir

TRAFFIC SIGNS REGULATIONS REVISION

1. Thank you for your letter dated 18 February 1974.
2. I can confirm it is the intention to phase out the use of metal studs to mark parking places. Their use for this purpose is increasingly rare now. Most other uses of studs require them to be fitted with reflectors to illuminate the associated road markings, and usually these are of the well known depressible types. However the occasional use of these studs to mark advisory pedestrian crossing places or those controlled for limited time periods by policemen is retained, although it is envisaged that in practice local authorities will increasingly make use of the alternative possibility of flat plastic white squares fitted to the carriageway.
3. The use of traffic cones as a device to delineate road works is now fairly well proven. It is often very necessary to provide for coning off considerable areas of road on the approach to road works to sensibly and safely channel traffic. The introduction of the 'cylinder' version does not extend the use of the device but provides an alternative shape which can make use of the socket fitting of 'catseye' road studs in certain very limited cases. Since these will only be used to close off gaps in central reservations of dual carriageways or to divide opposing flows of traffic on the same carriageway I would doubt that they would give rise to any difficulty to cyclists.
4. I can confirm that there are no proposals to increase the size of traffic signs. In fact the final drawings for the Regulations will in some cases indicate a new size as the smallest alternative for use on very narrow or little used roads.

Yours faithfully

The Letter of resignation from Mr. R. Rolfe was read by the Secretary, all members were sorry to hear that he resigned and Mrs. Gardner was asked to write in acknowledgement and thank him for his services, and also to say that we did accept his resignation with regret. This was Prop. by Mr. Newman and Sec: by Mr. Moore.

The Secretary then read the letter she had received from Mr. Jefford about the Luton Section which had not got going at all during 1981 for many and various reasons but at Mr. Jefford's request she would bring the matter up at the AGM to see if anyone was willing to have a go at getting the section started. As the Stencil for the AGM Agenda was already typed she said that she would bring this up in ANY OTHER BUSINESS. *She Read* A letter from Mr. Bill Collins, saying that a Stevenage & North Herts Section had started and that they seemed to be doing well, this would come up at the AGM to find a future leader.

Mrs. Gardner said that she had a request from Mr. & Mrs. French to know if a Vegetarian Meal could be produced at the 30 Year Dinner, Mr. Wooder said that there were already two others who wanted this and he would contact the Hotel when giving them the final numbers.

The Secretary then read parts of some of the correspondence, and eleven new members were elected, Prop: by Mr. Wooder and sec: by Mr. Good.

The Treasurer then mentioned the Financial Report which had been circulated among the members during the meeting, The Report was accepted, Prop: by Mr. Wooder and Sec. by Mr. Emburey.

Amj Albat Business

With Mr. Stewart saying that he would definitely be dropping from the leadership of the Eastern Thursday runs when the current runs list runs out, Mr. Wooder also not seeking re-appointment, and Mr. Good unable to carry on, Mr. Moore said that he had wished to relinquish the leadership of the St. Albans Section last year but was more or less pushed into it again but he felt that younger members should now come along and take a turn at these jobs. It seemed that we shall be needing some completely new leaders and it was suggested that if new leaders were not forthcoming we must have some "Programme Organisers", someone willing to work out a list of runs and meeting places, so that at least members could ride out and meet each other. The difficulty of finding suitable Cafe's as meeting places was discussed, and some closures were reported, and it was generally agreed that the pattern of Club Runs as we used to know it was fast changing these days. Members were no longer interested in meeting "At a street Corner" as was the custom in the past, but with the cafe's closing, ~~especially~~ especially on Sundays things would get even more difficult and some remedy would have to be found.

Mr. Finnimore asked that the St. Albans Sub Section and the Southend Section be regularised at the AGM, Mrs. Gardner said that she had on the Agenda a note asking for the election of leaders for these two groups.

Mrs. Ford mentioned the Tuesday Paslow Common Ride which seemed not to be on the runs lists and it was agreed that this was just an informal run for members who wished to go and Mr. Stewart said that he had hoped to keep it UN-Official, just a meeting of friends but later said that anyone would be welcome to join up with them.

Mrs. Gardner spoke about the C.T.C. Les Warner presentation and suggested that the Club send a donation to this fund. Mr. Wooder Prop: and Mr. Germain Seconded that ~~£25. be sent~~ £25. be sent and all agreed wholeheartedly, It was then Prop. by Mrs. Wooder and Sec. by Mrs. Gardner that £25. be sent, all agreed to this.

Mrs. Gardner ~~had~~ then said that Mr. Finnimore would not be seeking re-election as Auditor because he felt that now he lived so far away from the Treasurer it would be easier if someone nearer to Bexleyheath could do the job, Mrs. Gardner said that she had been in touch with our former treasurer Mr. Thorn at Dartford who was willing to take the job on if he was elected. Mrs. Gardner then said that if Mr. Thorn was elected would it be in order for him to be one of the signatories for withdrawal from club funds. It was thought by all present that it would not and another person would then have to be elected as a signatory for withdrawals.

Mrs. Ford suggested that she acknowledge ~~xxxxxxfxxxx~~ articles for insertion in the magazine, as up till now this had not been done, she felt that it was a curtesy to do so and would perhaps encourage members to send in more entries. Mr. Wooder prop: and Mrs, Gardner Sec. that Mrs, Ford do this to all new entries.

Mrs. Ford said that she had noticed that the magazine did not now have a back cover and thought it would make a better appearance to the magazine if we had one. It could be printed on the inside. Mr. Newman said that he would try to find some suitable papers and then print just on one side, all agreed that this should be tried out.

The meeting closed at 2.10 pm the next meeting being fixed for 4th April.

Minutes of Committee Meeting held on Saturday 4th April 1981 at the Castle Public House. Cowcross St. London.E.C.3.

2/81

The meeting commenced at 12.15 pm. there being 12 members present. Letter of apology was received from Mr. W.Collins.

The minutes of the previous meeting, held on 31st January were read and accepted as a true record. Prop. Mr.Moore and 2nd. Mr.Wooder.

Matters Arising.

Mrs. Gardner said that she had a letter from The Brutons thanking the club for their donation to the Fund for their Late Daughter Joanna, and said that by telephone Geoff. Had told here that it then stood at £1500. Everyone thought that this was a splendid effort, Geoff. said that the original idea was to build a Cycle Shelter, this had been done and that the committee of the Welwyn Track were now to decide what else they could provide with the balance.

The June Re-Union next came up for discussion and Mrs. Gardner said that at the Dinner she had asked for a show of hands from those likely to support this and only ten members had responded, she thought that this was a poor effort. She suggested that as The Brutons were so keen to arrange the day for us we should make an effort to push the idea and get all the support we could. Mr. Moore suggested that when leaders took bookings for the Re-union it would be a good idea to take the cost at the same time as he thought that this would encourage those booked to come along and all agreed. Mr. Wooder said that he would lead a ride from the Cafe at Thornwood Common for all who wished to start from there.

of 15p

Mrs. Gardner then brought up the renewal of the Advert in CycleTouring, saying that she still received many queries about the club and they mentioned our Ad. in the CTC Magazine. She suggested a slight alteration in the wording, to include the new sections and drop the runs in Northern Ireland ~~as~~ we now had only one member over there, Mr. Cyril Henry and that runs had ceased to be carried out. After some discussion it was agreed to amend the wording to our advert as follows- ARE YOU OVER 40 YEARS OF AGE OR RETIRED.? If so THE FORTY PLWS CYCLING CLUB OFFERS YOU COMPANIONSHIP. Open to both sexes. 300 Moderately paced runs programmed per year around London, Home Counties, Kent & Sussex. Runs on Tuesdays & Thursdays in Herts: & Essex. Wednesdays in N.W.Kent. Tuesdays, Fridays & Sundays in Sussex. Fridays in Luton Area and Sundays in N.W.Kent & Essex. Current runs list free from MRS.G.D.GARDNER. 16 Red House Lane, Bexleyheath.Kent. DA6 8JD. and Mrs.Gardner said that she would get in touch with the CTC now as the next Advert would be for the June Issue when we were due to pay.

Mr.Moore then asked Mr. Finnimore about the refusal he had received at the Green Man at Sandridge to allow some members to eat their sandwiches while consuming a drink purchased at the Pub. a short discussion ensued with Mrs. Gardner ending with her idea that she puts into practice in Kent, she said that if they had a refusal she pointed out to the bar attendant that as they were Pensioners they could not always buy pub food if they bought beer and that likewise if they bought beer they could not afford food, she had sometimes then obtained permission for her section to stay.

Correspondence.

The Secretary said that she still received letters mentioned our advert, but not much other correspondence was received since the last meeting, but she had 9 new members and these were duly elected. Prop. Mr. Germain and 2nd. Mr. Moore.

Financial Report.

The Treasurer's report had been circulated among the members and all seemed satisfied with it. She said that she had not yet made a final account for the cost of the 30 year Dinner as she had only just received the bill, but she had received all monies for tickets sold, there being

only a difference of two people in the number charged by Treetops Hotel and the number counted. Mr. Wooder said that he had pointed this out at the time he received the bill but that the Manager had said that it was not worth altering the books for two extra. The Financial report was accepted. Prop. Mr. Wooder. 2nd. Mr. Newman. The Secretary then read out the Minutes of the AGM, held on 7th Feb. this being the first committee meeting since then. Mr. Germain prop. and Mr. Finnimore seconded that we accept them as a true record, and all agreed.

Any Other Business.

Mr. Moore spoke about the rather crowded conditions at the AGM, and wondered whether it would be possible to have a larger hall or room for the purpose in future, saying that he thought that we would get a larger response if members were not so crowded, and some had to sit on the floor. Some members wondered if it would be possible to change the venue each year so as to give each area a 'Nearer to home' venue, but it was suggested that this would cause other problems, Mr. Wooder said that he thought it was better to have a central place so that all who wished could travel to the venue, at least it had to be somewhere where all members, particularly those retired from work could reach easily and fairly cheaply. Mr. Bellchamber suggested a place ~~where~~ near enough to the area where most members now lived, and mentioned the Treetops Hotel as a possible place as it had been so popular for the recent 30 Year Dinner and as he was connected with the Hotel said that he was sure around January and February would be most suitable when things were quieter at the Hotel. Other members thought that it may be possible to combine the AGM with an annual Dinner, the AGM for instance being scheduled for about 11 am and Dinner around 12 to 1 pm. This idea was welcomed by all and Mr. Finnimore suggested that Mr. Bellchamber be asked to make enquiries at the Hotel to see just what would be possible for next year, and saying that a Sunday would quite definitely be the best day, it seemed that Saturdays were not popular with members for these occasions, and that Saturdays were always the busiest at the Hotel. Mr. Bellchamber said that he would make some enquiries and report back at the next committee meeting.

Mrs. Gardner then mentioned the Signatories for withdrawal of amounts from the Building Society. Mr. Thorne one of them had now been appointed Auditor and had said that he would not now be available as a signatory. She said that we had at present, Mr. Pemberton and herself, and she felt that another member from the Committee would be most useful. After some discussion it was agreed to have four in future, and Mr. Wyatt was Prop. by Mr. Wooder and 2nd. by Mr. Good, and Mr. Wooder was proposed by Mr. Finnimore and 2nd. by Mr. Germain. Both of these members agreed to stand and all present agreed to this idea.

Mr. Germain then mentioned the annual slide show which we held at the Victoria Club Hut at Ugley saying that it ought to be arranged now so as to be included in the June issue of Signpost. Mr. Good said that he would contact Mr. Clisby, to see if we could have either 26/7 Sept. or 3/4 Oct. Neither of these dates would clash with the Cambridge Week-end which some members attended and he would let Mrs Ford know which date was agreed so that she could make an announcement in the June Signpost.

Mrs. Gardner said that she had only recently heard that we used to send a copy of Signpost to the Editor of Cycle-Touring and that she was not instructed to send a copy when she took over the Secretary's job, did the committee want this done in future. After some discussion it was agreed that she write to ask if we could be included in the "List of useful names and addresses" that is inserted in the CTC Diary each year.

Mr. Newman asked the committee's permission to purchase ~~more~~ ^{more} paper for the production of Runs Lists and Magazine, this was readily given. He then mentioned that the postage on each copy was now 15½p. that meant 62p of each £1. subs being used on postage, then if we add the cost of Paper in Ink, it was approaching the time when we should be thinking

about an increase in Subscriptions. Mrs. Gardner said that she would get together with Mr. Newman and Mr. Pemberton to work out just what each copy now cost. There was no hurry as we did have a fairly good balance in the Building Society, but it was agreed that we should have this information before the next AGM so that if it became necessary it could be put ~~in~~^{on} the Agenda. She said that she thought that about 2/3rd of the magazine was now hand delivered, but this amount did alter with circumstances, but Mr. Newman and Mr. Engel did a good job on this.

Minutes of Committee Meeting held on Saturday 18th July 1981 at the
Castle Public House, Cowcross St. EC3.

3/81

The meeting commenced at 12.05 there being eleven members present, apologies for absence were received from Mr. Finnimore, Mr. Newman, Mr. Drew and Mrs. Walker.

The Minutes of the previous meeting were read and accepted as a true record, proposed by Mr. Wooder and Seconded by Mr. Germain.

Matters Arising.

Mrs. Gardner brought up the matter of the advert we have in the CTC Magazine Cycle Touring, saying that it had increased in price by about one third since last year and read out an improvement that she thought might be accepted by the committee, giving all the details necessary, but at the same time costing roughly about the same as our advert before this recent price increase, after making a small amendment to it, it was proposed by Mr. Wooder and Seconded by Mr. Bellchamber that for the next advert we have the new wording, and this was agreed to by all present. Mrs. Gardner said that she would bring this up again in the new year just prior to the time of re-advertising to see if any further alteration was forthcoming.

Mr. Bellchamber then mentioned ~~the meeting he had with the proprietors of the Tree Tops Hotel at Tapping~~ that there was that afternoon a Jo Bruton Memorial Meet at the Harlow Track and this was evidently being well supported, everyone seemed pleased to hear this.

A short discussion on Bad Road Surfaces took place. Mrs. Gardner said that she now had a small supply of the cards for reporting these, those issued by the Cycling Council of Great Britain. Mr. Collins said that he always took his reports in by hand and received quite a favourable reply from his local council, he felt because he sometimes re-worded the card.

The Slide Show at the Victoria Hut was confirmed as for Saturday 19th September, staying overnight until the Sunday morning.

Mr. Wyatt asked what the sample of Ink was like that ^{our member at Swanley.} Mr. Nicholson from Swanley had sent to Mr. Newman for printing our magazine. Mrs. Gardner said that Mr. Newman had tried it and found it much too dry, Mr. Wyatt said that Mr. Nicholson could in all probability get another kind so Mrs. Gardner promised to see Mr. Newman and then Mr. Nicholson to see what could be arranged. This supply would be free and therefore save us some money.

Secretary's Report and Correspondence.

Mrs. Gardner said that she still received many enquiries, many of them mentioning our advert in Cycle Touring and it was felt that this was therefore worth keeping up. She had no other important items to report, everything seemed to be going along quite well. 23 new members were elected, Prop. by Mr. Wyatt and 2nd by Mr. Moore.

Financial Report.

The Chairman then read out the report provided and said that we were certainly keeping up a good balance in the Building Society. Everyone accepted the report it being proposed by Mr. Germain and 2nd. by Mr. Wooder

Mrs. Gardner mentioned the delivery of the magazine and everyone said how much the hand deliveries were appreciated. Mr. Moore asked what, if any, difference the re-allocation of the magazines had made, but Mrs. Gardner pointed out that this was done just after the June issue was sent out and any difference would be more apparent with the September issue.

Any Other Business.

The question of support for the Bank Holiday Tours was mentioned by Mrs. Gardner who said that support was very poor and that she only had one person for the August Tour. Everyone joined in the discussion that

followed. It being generally agreed that some Hostels were good and some poor, some times the food was inadequate and of poor standard, some hostels were however noted for their good food and Mr. Wooder said he thought that it was a question as to who was the Warden and his attitude to the job. Mr. Moore said that after the Easter we spent at Stratford-on-Avon Hostel, he had not supported the YHA at all and suggested that we try going either the week-end before or after a Bank Holiday when the Hostels were not so Crowded, Or even that we try a B & B Place for a change. It was generally agreed that in many cases the School Parties filled up the hostel so that the few others who tried to attend were somewhat squeezed out, another member mentioned that the Wardens these days relied rather a lot on the School Parties to keep their Bed Nights up and therefore prevent the Hostel closing down.

Mr. Wooder suggested that we could try a Hostel and also a nearby B & B, Mr. Trueman suggested Totland Bay on the Isle of Wight. Someone else suggested Alfriston Hostel with a B & B In the Village. It was then that Mr. Bellchamber came up with the suggestion that we try a small Hotel that he had already visited at Eastbourne, it was, he thought, very comfortable and accomodating. The meeting generally agreed to this and Mrs. Gardner said that she would put this item in the September Signpost to see what response she got, and Mr. Bellchamber suggested that she also write to the Hotel to find out what they could do for us for next Easter, the Hotel was the Gleneagles Hotel, 42 Royal Parade, Eastbourne, the Proprietors were Mr. & Mrs. Owen and that we could mention his name. Mrs. Gardner agreed to do this

THE A.G.M. FOR 1982. & SUGGESTED ANNUAL DINNER.

Mr. Bellchamber said that as requested at the previous committee meeting he had made a visit to the Treetops Hotel at Epping to see if they could provide a room for this and whether we could have a small snack bar as well, the result was that the shack bar was not possible but that a room for the meeting would be OK, with a lunch to follow. Mr. Germain then proposed and Mr. Wooder seconded that we hold the AGM at the Treetops Hotel at about 11 am and that this would be followed by a lunch or dinner at about 1.30 pm. After a vote this was carried only one member against the idea. *Mrs Gardner agreed to Book with the hotel.* The date was to be Sunday 7th February 1982.

Mrs. Ford then asked if the Application Form for membership for the club could have the Secretary's name and address on and this Mrs. Gardner agreed to do.

Mrs. Ford then mentioned the A & B Thursday Runs saying that she thought that the B Rides should be slower but it was pointed out that this was not exactly so, they should be a bit shorter and that if they were not then it was because we could not satisfy all of the members all of the time.

The meeting closed at 1.45, with a vote of thanks to the Chairman, The next meeting to be on Saturday 17th October. 1981.

Mr Germain mentioned that 42 celebrated the re-union at Bexley at the new Venue Methodist Church Bell. Mr & Mrs Bullen officiating, a short appreciation was made to the Bullens for their efforts.

Minutes of Committee Meeting held on Saturday 17th October 1981 at the Castle Public House Cowcross St. EC3. 4/81

The meeting commenced at 12.15 there being eleven members present, apologies were received from Mrs. Ford, Mr. Wooder and Mr. Collins.

The minutes of the meeting held on 18th July 1981 were read and after a small addition regarding the re-union on Saturday 27th June last they were accepted as a true record. Prop. Mr. Germain and seconded by Mr. Good.

Matters Arising Mr. Finnimore mentioned that there was now a new Warden at Cambridge Hostel with a great improvement there, especially in the food served at meals.

The recent slide show at the Victoria Hut was reported by Mr. Finnimore who said that about 10 people attended, six staying the night, and other members spoke of the help given by Mr. Fielden in bringing along his projector and other equipment.

Mr. Newman spoke about a sample of Ink given to us by a member at Swanley, he was sorry to say that it did dry out too quickly for our purposes, we do need a Non-drying type, he asked for Mr. Nicholson's address (the member supplying the ink) and said that he would like to write to him about this in the hope that he (Mr. Nicholson) could supply something else. Mrs. Gardner agreed to let Mr. Newman have the address.

Mrs. Gardner asked Mr. Newman if the re-arrangement of the delivery groups of the magazine had made any difference to the cost of posting and Mr. Newman was able to say that it had and that only about 100 to 115 were eventually posted.

A short discussion regarding the delivery of the magazine then ensued, Mr. Drew pointing out that the correct address was very necessary, there were of course more than one place with the same name, and this made things a bit confusing sometimes, he also said that this was the reason that he gave Grid References on his runs lists.

The question of the proposed visit to Eastbourne for next Easter was raised and Mr. Bellchamber said that he felt rather guilty when he realised his other club had booked the place full for the same dates, after he had recommended it, but Mrs. Gardner said that she had only one member who wrote to book and she would now have to return that booking to him.

The A.G.M. and Dinner at Treetops Hotel next came up, some members mentioning the difficulty of reaching the venue at the time needed for the A.G.M. which would be at 11 am. The Secretary said that she had received a letter from Mr. Jefford complaining about this, and after some discussion it was decided that we could not now alter the time or date as this had been booked with the Hotel. Mrs. Gardner was asked to send a deposit of £50 and ask for menus and prices, and as the time was now getting a bit close it was agreed to hold a special committee meeting to settle these items. Mrs. Gardner would contact all members as soon as she had the necessary information and try to arrange the meeting at Mr. Jennings home at Theydon Bois. As to the difficulty of transport from Luton and other outlying places a short discussion was held, Mr. Drew suggesting that members try to see if the Green Line ran any cross country services or perhaps even London Country Buses, he felt it might be possible to combine these routes to meet up with some railway station and it would then not be too difficult if services were available. Mr. Finnimore said that there were two Youth Hostels nearby so that some could perhaps use these the night before.

Mr. Trueman then suggested that it would be a nice idea if we invited the Bruton Family as guests to the Dinner, the suggestion was then proposed by Mr. Finnimore and seconded by Mr. Moore, Mrs. Gardner agreed to write the Brutons regarding this invitation.

The Financial Report was read by the Chairman and accepted by all, it being agreed that we were still in a good financial position. ~~The report was accepted by all, it being~~ proposed by Mr. Trueman and seconded by Mr. Newman. After this Mr. Bellchamber suggested that it might be a good idea at some later time, if funds were good to invest some of it in the Post Office Investment Account as the rate

of interest was so much better. Mr. Finnimore said that he thought that we should wait until the balance was more substantial, say about £1000 and then put half of this away. Mr. Trueman suggested that this should come up at the A.G.M.

Any Other Business. Mrs. Gardner then read a letter she had received from Mr. Collins the leader of the Stevenage and Herts: Section in which he said that the section had not come up to his expectations and he was thinking of closing it at the next A.G.M. but that he would honour the runs list that was now in use, but would not be submitting one for February, March and April unless attendances improved. Mr. Moore suggested that Mr. Drew might plan his future runs to try and include the district that Mr. Collins had been covering and Mrs. Gardner agreed to this. The question of the closing of the section would come up at the A.G.M.

Mrs. Gardner then read out a paragraph from a letter she had from Mr. Aldis, one of the Sussex members who was meeting other cyclists around the Singleton, Lavant & Rowlands Castle Area each two weeks, she said that she would have this information put in the next issue of signpost so that any members around that area could perhaps join up with them as the Sussex Group did not normally go that far west.

The Secretary then read out a letter she had from Mr. Ron Gunn who complained that at the Dinner although Mr. Rex Coley was there, he was not at the top table. After a short discussion Mrs. Gardner agreed to write to Mr. Gunn to explain how this occurred.

13 New members were elected, prop. by Mr. Finnimore and seconded by Mr. Germain.

Mr. Drew suggested that it might be a good idea to have the runs lists set out more to "Regional" areas, but it was pointed out that this would not save work, stencils or paper, Mr. Newman and Mrs. Gardner both saying this, Mrs. Gardner said that there were members who could ride both north and south of the Thames and this would mean extra work to let them have separate lists. It was agreed to let the lists stay as they were.

It was agreed to have the Re-Union on the last Saturday in June for 1982, that would be on the 26th and Mrs. Gardner would let the Brutons know this.

The Bank Holiday Tours then were discussed. It was eventually agreed to have a Youth Hostel Tour for Easter at Cranborne Hostel, and Mr. Finnimore said he would organise that. The poor support over the last two or three years was spoken about and it was agreed to bring the whole question of Bank Holiday Tours up at the A.G.M.

The next Committee meeting was arranged for Saturday 9th January 1982 and the meeting closed at 2.15 pm.

8th April 1981.

Dear Mr. Scrutton,

Thank you for your letter and cheque for subs. for 1981 for yourself and Mr. Ringer.

I am enclosing herewith your receipt, Book of Rules, a short history of the club, current issue of our Magazine "Signpost" and a list of all members names and addresses. Additions to this list appear in each issue of the magazine for those who wish to keep up to date.

Welcome to the 40+, I hope that you have many happy miles with us.

Yours sincerely,

Grace D. Gardner

Hon. Secretary

MRS. G. D. GARDNER.

16 Red House Lane,
Bexleyheath. Kent.

President:

Mrs. M. LANG

MR. TOM. WOODER.

9th February 1981.

Dear Mr. Scrutton,

Thank you for your letter asking for details of the 40+ CC. I am sending herewith the current runs list and hope that you will be able to join up with us on some of the runs.

The general rule is that we meet at the elevenses venues, then ride together to lunch, usually taken at a pub where we can get a drink to have with our sandwiches. Then together again or in twos and threes, each rider dropping off as the most useful turning for home comes along. Those who live at an awkward distance from the elevenses places ride out and meet the others at lunch.

The membership fee is £1. each per year. £1.25 for Husband & Wife. After one year full membership one can commute for 5 years for £4. Husband & Wife for £5. Anyone joining after 30th June in any year just pays half the fee for that year. An application for membership form is enclosed, but do not commit yourself yet, come along and have a ride or two, see how you get on and whether you like us first. Just turn up at the meeting place and make yourself known to the leader, I am sure you will be made welcome.

We produce our own magazine "Signpost", which goes out free to all members each quarter. It is made up of items from Members, the stencils done by one of the Ladies, printed by one of the Chaps and over half of the copies are hand delivered, a truly club effort.

We have Bank-Holiday tours, usually based at Youth Hostels, but we do not promote any racing, though we do have in our midst quite a number of Members who, in their more youthful days did race, true they do not now go as far or as fast as they once used to but they do still ride regularly for their own pleasure. Although we are the 40+ we are mainly in the 60+ region and do have many members in their 70s so I am sure you would be OK with us for pace and distance.

Members can, and often do, ride with more than one section, you will see this from the runs list. If you are in any area where there is a run you will be welcome to join in and we all look forward to meeting you.

Sincerely,

Grace D. Gardner

MINUTES OF THE ANNUAL GENERAL MEETING OF THE FORTY PLUS CYCLING CLUB.
HELD ON SATURDAY 7th FEBRUARY 1981. at THE CASTLE PUBLIC HOUSE,
COWCROSS STREET. LONDON.E.C.1.

Meeting commenced at 12.15pm Mr.Trueman being in the chair.

The minutes of the previous AGM were read and accepted as a true record.
Prop. Mr.Jefford and Sec: by Mr.Collins. and all agreed.

Matters Arising.

Mr.Trueman mentioned the 30 year Celebration Dinner and called upon Mr. Wooder to detail the change of venue. Mr.Wooder gave details of the increased costs that we were asked to pay at the Victory Services Club and said how Mrs.Gardner had telephoned all committee members about this and all had said that they thought that £10 - £11 was too expensive. He said that she had then called a special committee meeting which Mr.Bill Jennings held at his home on Sunday 23rd November when it was agreed to ask Treetops Hotel what they could provide. At the meeting Mrs.Gardner spoke to the manager at Treetops and a booking was agreed to for the last ~~Saturday~~ Sunday in March, 29th, and the cost to each member would be £6. The announcement of this was accordingly put in the December copy of Signpost. The Deposit had been paid to Treetops and everything was now arranged. After being asked by Mr.Moore about the reason for the rise in the price at the Victory Services Club, Mr.Wooder explained that on top of the cost of the meal, we would have to pay for the hall, then a service charge of 12½% and then a further charge of 15% VAT and this would mean that as the club had more or less agreed to only charge members £5. each and subsidise the balance it would have made the club bankrupt.

Mr.Turner (Corfield St) then suggested that we should ask the BBC personality who did our film to come along and some members spoke about getting the film again, Mrs.Engel had offered to lend it to us but Mr.Engel said that this would not be possible as the sets for the showing of these films varied and it would probably be too difficult to match the sets up.

The Chairman then mentioned the Annual Re-Union. The Secretary ~~then~~ read a letter she had received from Mrs.Bruton saying that they would like to Hire the Methodist Hall for the occasion this year, as this would solve the problem of the possibility of bad weather, and they could then hire the hall for a Saturday. Messrs. Wooder, Drewett, Pemberton, Finnimore, Trueman and Jefford all spoke about this possibility. Mr.Jefford said that he thought that for this year we should accept this offer. Mr.Engel said that he thought that it had to be a Saturday because the Church Hall would most probably be needed by the Church on Sundays. After being put to the members all agreed to accept, except 2, and Mrs.Gardner said she would contact Mrs.Bruton and arrange the re-union for the last Saturday in June, this being nearest to the last Sunday as we had originally planned.

Mr.Finnimore suggested that when Mrs.Gardner contacted Mrs.Bruton she should suggest that the club at least pay for the hire of the hall. Mr. Wooder said that this charge could come from club funds and members should pay for their lunch as usual. All agreed. Mr.Bridson said that it would probably cost around £6. as he knew of other church halls that were let for that sum.

THE SECRETARY Then read her annual report, saying that the club had a good year. The Chairman proposed that the report be accepted. Mr. Martingell seconded and all agreed.

THE TREASURER then mentioned the Financial report and final accounts, it shewed that the club was in a sound financial position. Mr.Finnimore (Auditor) said that he was quite satisfied with the state of the books and had no queries. All agreed to accept the accounts.

Mr.Martingell asked if the club still had any cloth badges, and Mrs.
