MR. W. S. MOORE.

3rd February 1983

Dear Mr. Scrutton,

I have written to Mrs. Joan Walker to let her know that you will be the new 'leader' of the Thursday "A" Section, but please do not be daunted by the term 'Leader', I am sure you will soon get some sort of rhythm going and of course if you are unable to get out to lead any run then so long as the other members have a meeting place and a lunch place they will be able to have a ride, the main thing is for someone to programme the runs list.

Joan was in the habit of receiving from Mr. Newman, the printer of Signpost and Runs lists, 4 extra magazines and 6 extra runs lists, these would be given to enquirers or for any 'lost' items. Would you like to do the same, you can have the same number and alter it as you feel the need. I will arrange for Bill Newman to send along the usual extras to you and await results.

When Joan made her runs lists she always gave a copy to Mr. Syd Lydall the Southend Leader, so that he could programme his runs, meeting up with the Thursday "A" when possible and making other arrangements when the lunch places were too far, so if you will do this it will help Syd a great deal, this means that your list will need to be done a bit earlier so that Syd gets it and then gets ~~back~~ back to me in time to do the stencils. If you start to think about the runs list as soon as you get a magazine then you will find it will all fit in OK.

Joan always kept a supply of Cloth Badges and Metal Badges, she has at the moment 5 Metal and 11 cloth and I have written to ask her if she would please pass these on to you. If you feel that you do not want to carry a stock then please return these to me at the next committee meeting which will be held on Saturday 16th April 1983 at the Castle Pub, Cowcross St. EC3. right outside Farringdon underground station at 12 noon. You can get sandwiches etc at the pub. We hire a room upstairs. I always send out an Agenda to remind members about two weeks beforehand. Some of us cycle up and leave our cycles locked to the railings opposite the Pub, it is quiet there on a Saturday and not many people about and so far we have not had any trouble.

If you have a telephone number would you please let me know in case I wish to get in touch with you in a hurry. Please make a note of any expenses you have and claim them from me at the committee meetings.

If you have any queries please do not hesitate to get in touch with me and I will help all I can. 01-302-7778

Mr. Syd Lydall address is 60 Leighwood Avenue, Leigh-on-Sea. Essex. SS9 4LG. TEL. SOUTHEND. 521078

Sincerely,

Israel D. Gardner

FORTY PLUS CYCLING CLUB.

Minutes of the Annual General Meeting held at the Union Jack Club on Sunday 30th January 1982.

The Meeting commenced at 10.40 with Mr. F. Trueman in the Chair.

The MINUTES of the last Annual General Meeting, held at the Treetops Hotel, Epping on Sunday 7th February 1982 were accepted as read, they having been printed in the December issue of SIGNPOST 1981. The Proposer was Mr. T. Wooder and seconder Mr. J. Wyatt.

MATTERS ARISING.

Mr. J. Jefford pointed out that we were breaking the Rules of the Club when we held the meeting at Epping as it was supposed to be 'In London' and the Chairman said that we did realise that when we had a letter from Mr. Engel pointing this out.

Mr. Engel then asked why we did not have a microphone, as was asked for at the last meeting, Mrs. Gardner said that she had written to the Manager of the Union Jack Club asking if one was available for hiring and the answer was that they did not have one and had never been asked before, other meetings had not found it necessary. She then tried around the electrical shops in her district but could not get one at all, and then went to her local Library to look at magazines there to see if she could find any for hire but was unsuccessful. Mr. Engel said that at the last meeting it was found by some members that they could not hear what was being said and Mrs. Gardner said that she thought that most of this was due to the fact that so many members, particularly at the back of the hall were talking and having a meeting on their own, but Mr. Engel denied this.

SECRETARY'S REPORT.

Mrs. Gardner then read her report, giving details of the support for the various section runs, Bank Holiday Tours, the number of members, which at the end of September 1982 stood at 419, an alltime record for the Club. She said that we still had two founder members, two others who joined in 1951 and still four who had joined in 1952. She said that we now had 19, 80 year olds and mentioned that one of these, Mr. Bob Edgar was still a section leader down in the Sussex Region. Some members had passed away, some sick ones had recovered. The Reunion had been a success and was arranged for 1983 on Saturday 25th June. Signpost was still very vigourously being presented each quarter and that she thought that Mrs. Ford was doing a splendid job. About $\frac{2}{3}$ of the copies were being hand delivered, saving the club a considerable amount in postage. She finished by thanking the committee for their support during the year.

Mr. Collins said that Mrs. Faith Reason was still very ill and Mr. Wooder mentioned that Mr. Good was still in hospital.

Mr. Moore proposed and Mr. Pomphrett seconded that Mrs. Gardner be congratulated on the report and that this should be included in the minutes and Mr. Collins said that it should be 'Congratulations and thanks'

FINANCIAL REPORT.

~~XXXXXXXXXXXXXXXXXXXX~~ Mr. Hill raised the point of the cost of the Cloth Badges to members as they seemed to be at a small higher rate than the purchase price and Mrs. Gardner said that when we took into account the cost of post, telephones and fares to order them it would work out at about £2. each, and Mr. Germain pointed out that to charge the £1.83 each would cause quite a number of problems for members when ordering by post, £2. was a good sum and far easier to manage.

Mr. Cook asked what the 'Miscellaneous Expenses' of £112.30 $\frac{1}{2}$ were for as this seemed rather high, Mrs. Gardner said that she could not give details without the books being at hand and that she had thought that it was not necessary to bring them with her as she had so much else to carry but agreed to set out a detailed explanation in the next issue of Signpost and this was accepted by those interested.

Mr. Wooder then proposed and Mr. Germain seconded that we accept the accounts as presented.

MOTION.

Mr. Finnimore then put forward his Motion that we delete the word "FOUR" from Rule 3 (a) and spoke at length for his reason, the main thing being that we had for 1982 elected 5 extra members for the committee and that sometimes it may be found that less or more than FOUR would be elected, some times extra members may be willing to stand on the committee, the motion was seconded by Mr. Newman who said that he would like to see a wider representation on the committee and if the word "FOUR" were deleted this would cover for extra members to serve. Mr. Engel queried the removal of the word FOUR and Mr. Hill suggested that it be altered to a 'Minimum of FOUR' but after a short discussion it was agreed to delete the word FOUR.

Mr. Cook then spoke about members being Co-opted to the committee and it was pointed out that this was covered in Rule 3 (b) A Vote for the Motion was 36 and none against.

ELECTION OF A PRESIDENT.

Mr. Moore was proposed by Mr. Engel and seconded by Mrs. Rumball, and there being no other nominations, Mr. Moore was elected for the year and he thanked the meeting for the honour.

SECRETARY & TREASURER.	Mrs. Gardner.	" Mr. Wooder.	" Mr. Pomphrey.

ST ALBANS TUESDAY & THURSDAYS.

At this stage Mr. Moore pointed out that they had never had a Thursday run, it was in fact a meeting at Sandridge and informal at that and that the runs list should show this as such. The election for the Tuesday leader was then taken as follows:-

Mr. Moore.	Prop. Mr. Townsley.	2nd. Mr. Jefford.
------------	---------------------	-------------------

Mr. William Hill then said that he and some others wished to explore the East Herts region and wondered if they could set up an East Herts Section, this suggestion was seconded by Mr. Cook. They both said that they did not wish to step on to the St. Albans Section or Mr. Collins Stevenage & North Herts Section. Mr. Moore suggested that they had a run on Thursdays as this would not interfere with the St. Albans Tuesday section rides, Mr. Cook put in a suggestion for Wednesdays, but it was thought that this would interfere with the Luton Section, Mr. Collins said that he ~~was interested in Thursdays~~ had an interest in Thursdays elsewhere and asked them to consider Wednesdays. Everyone agreed that the section be formed and wished them every success. The day being agreed as Tuesdays and linking up Mr. Moore's rides sometimes.

EAST HERTS.	Mr. Hill.	Prop: Mr. Collins.	2nd. Mr. Moore.

EASTERN THURSDAYS.	"	Mr. Scrutton.	" Mr. Finnimore.
"A"	Mr. Scrutton.	"	Mr. Collins.

Mr. Scrutton was rather wondering whether he would be able to lead all the runs and it was pointed out by Mrs. Gardner that the previous leader Mrs. Walker had taken on the job saying that she would be unable to lead all runs, it was more necessary to have a runs list made out and Mr. Engel said that the word "Leader" was a bad term as members thought that they were then bound to turn out and it might put people off but Mr. Engel said that perhaps Secretary would be the more appropriate word. But after some discussion Mr. Scrutton agreed to have a go and see how things turned out, and was thanked for his co-operation.

EASTERN SUNDAYS. Mr. Pomphrett. Prop: Mr. Finnimore. 2nd. Mr. Engel.

NORTHERN SUNDAYS. Mr. Rumball, the present Leader said that owing to such poor support he wished to decline the job and thought that week-day rides in the area would be better supported. Mr. Wooder suggested that two meeting places for the Sunday rides could be offered and meeting for lunch at the same place. Mr. Finnimore said that he thought that the Rumballs had done good work and that after all it was after the last AGM an experiment only and suggested that they give it another trial for the next year, Mr. Engel supported this and agreed that two meeting places should be the norm and meet for lunch with Mr. Wooders Group. The two leaders to get together to arrange this, and the Rumballs agreed to do this. Mr. Rumball said that he would plan runs for each two weeks.

SOUTHEAST THURSDAYS.

AUDITOR. (C) Mr. Thorne. " Mr. Wooder. " Mr. Germain.

PRINTER. (C) Mr. Newman. " Mr. Wooder. " Mr. Germain.

(C) Mr. Newman spoke about the difficulties he had with the last batch of stencils he bought from Millway and said that they seemed to get their supplies from many different sources. Mr. Cook said it was a good idea to put some Cooking Foil immediately under the Wax sheet of the stencil and this seemed to make a much harder surface and gave a better impression, the only thing was that you do not get a carbon copy this way. Another way to get a better result was to have a cork platten fitted to the typewriter and this gave a much harder surface than the usual black one which was usually fitted to typewriters.

MR. COLLINS proposed a hearty vote of thanks to Mrs. Ford for the way in which she worked on the magazine, Mrs. Ford saying that she was not a typist in the general sense but did the best she could, Mr. Wooder seconded the proposal by Mr. Collins and all agreed.

ANY OTHER BUSINESS.

Mr. Moore spoke about us having no back up if the Secretary, or Mrs. Ford or Mr. Newman were to find themselves unable to carry on the work that they do for the club, Mr. Wooder said that we would find it if it became necessary and Mr. Trueman said that he was sure the Committee would look into this.

FOUR MEMBERS FOR THE COMMITTEE WERE ELECTED AS FOLLOWS :-

Mr. Germain. Prop. Mrs. Gardner. 2nd. None
Mr. Germain said he would rather stand down now but was eventually persuaded to stand.

Mr. Fielden.	"	Mr.Germain.	"	Mr.Pomphrett.

Mrs. Gardner then proposed a Motion that members quailfying at the age of 80 years for a gift from the sClubd should have a certain number of years as a member and suggested that 10 years be the minimum.

After some discussion on this it was agreed to amend this to read, That to qualify for a gift at the age of 80 years members should have completed 10 years membership, and that those joining after the age of 70 years should have 10 years before they receive a gift and after this was seconded by Mr. Wooder it was agreed to. Mr. Cook proposing the alteration. Mr. Jefford asked that this be put in the next issue of Signpost and Mrs.Gardner said she would do that.

Mr.Finnimore then spoke at length on his Motion that we delete the words "IN LONDON" from the second line of Rule 6 (i) saying that it would save any argument about just what was "In London", he said that his bank included Epping in the London Area.. Messrs. Germain, Hill, Wooder, Trueman and Mrs.Gardner also spoke, some for and some against, and Mr.Jefford said that if this was agreed to he thought that the strong element in the Committee would choose practically anywhere, and we would then be having the A.G.M. in Kent, in Herts, and even perhaps in Sussex.

After a vote was taken and the result 29 for the amendment, it was pointed out by the Chairman that this number was not a $\frac{2}{3}$ majority of those present and was therefore lost.

Mr.Lydall sent in a message that he would like the informal meet at the Black Horse, Paslow Common to be included in the Runs lists as so many members now turned up that it should be made known that all were welcome. ~~XXXXXXXXXXXXXXXXXXXXXXXXXXXX~~. The idea was seconded by Mr.Germain and although Mr.Newman reminded us that this idea was opposed at the last A.G.M. it was thought that it should now be done and Mr.W.Turner spoke in favour of this and said what a nice meeting this was.

Mr.C.Kersey put in a plea for all those people who, like him, were beginning to forget names of members when they met and suggested that the committee look into the possibility of providing little name discs that we could wear at meetings, so as to know each other.

Mr. Germain reminded us that the Committee had spoken about the cost of providing the Magazine and said that the Subs. would not cover the cost if they were all posted, it was the fact that so many were hand delivered that we were able to keep the Subs: at their present level.

Mr. Engel then proposed that we have an A.G.M. at the UNION JACK CLUB next year, but no Luncheon. Mr.Drew suggested that the A.G.M. should be on a Saturday, and after Mr. Hill, Mr. Jefford, Mr.Finnimore, Mr. Cook and Mr. Wooder had all spoken about this Mr.Collins said that because of the small number of members attending the Luncheon it was apparent that a Luncheon was not wanted and he thought that it would be better to have luncheons on a district basis as so far these had been very successful. Mr.Davison asked if Epping was OK for a Luncheon and Mr. Kersey spoke.

After a vote of 11 for the proposal and 25 against it was lost.

Mr.Engel then proposed that we have the A.G.M. and a luncheon at the Union Jack Club and after a vote the result was 34 in favour and 3 against. *so the motion was carried*

Mr. Jefford asked if it could be on a Saturday to help those who lived, as he did, in an area where there was no Sunday transport, the idea was seconded by Mr.Crooke and after a vote of 14 for and 18 against was lost.

the Meeting closed at 12.55

At the Committee Meeting held on 16th April it was agreed that the correct wording of the amendment should have been given as "A MINIMUM OF FOUR"

X

Minutes of the Committee Meeting held on Saturday 8th January 1983 at the Castle Public House, Cowcross Street. EC3.

The meeting commenced at 12.10 and apologies for absence were received from Mr. Drew and Mr. Collins.

The Minutes of the previous meeting, held on 25th September 1982 were read and accepted as a true record. Prop: Mr. Rumball and 2nd by Mr. Finnimore.

MATTERS ARISING.

Mrs Gardner mentioned the 80 Year Olds and the Gift they were given saying at the time that most of the recipients so far had been members for some years, these years ranging from 5 years to 28 years. She said that she had tabled a Motion for the Agenda of the A.G.M. that we do decide a set number of years membership that should qualify for the gift and suggested 10 years.

The membership of the Club was then discussed at length, Mrs. Gardner saying that it was now over the 400 mark and that she felt some folk joined for business reasons, and some just to be able to put the Club on their headed personal note paper and Mr. Wooder agreed that this was the case with some members. It was felt by some committee members that the numbers were getting to rather overwhelming and unmanageable proportions and Mr. Wooder said that personally he would rather see only a few dozen members who rode regularly than a large number like we now have. Mr. Finnimore said that he felt that in most clubs and associations there was a surprising amount of 'Dead Wood' and that this could not be avoided.

CORRESPONDENCE AND NEW MEMBERS.

The Secretary said that she was still receiving a good number of enquiries because of the advert in Cycletouring and many that could only be as a result of the advert though they did not always say so. She read out a few paragraphs from letters received from Mr. Edgar the Sussex Leader and Fred Pugh of Cosham, both of whom had recently received Books as 80 Year Gifts, saying that in each case her Son had rebound paper-back editions for these two members who were delighted with the results.

Mrs. Gardner also said that the Interest at the Building Society had been reduced. She read a letter from Member Bert Harris who at the age of about 85 had applied for another five years commuted membership and said that this gave her hope for the future.

20 New Members were then elected. Prop: by Mr. Finnimore and 2nd by Mr. Moore with all those present in agreement.

SICK MEMBERS.

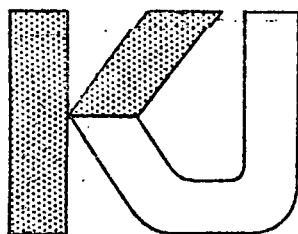

Mr. Wooder said that Mr. Frank Good the Eastern Sunday Leader was in Hospital and evidently quite ill and that Mr. Newman was visiting him quite often. Mr. Moore said that Mrs. Faith Reason was also ill and Mrs. Gardner promised to send a letter to Les and Faith and also to thank Les for the Photographs he sent for the Club Album also saying that she was now making up an album of pictures of the club and events, using as a nucleus those that Mrs. Mae Lang left for us when she died, and everyone agreed that it seemed a good idea.

FINANCIAL REPORT.

This was read and discussed by those present and accepted by all.

LUNCHEON.

The Sale of tickets for this event next came up for discussion and it seemed from reports that some members had heard that the sale was not going too well. Mrs. Gardner had sold 6 and was sure of 6 more. Mr. Moore said that he had only 4 left and that was a good result from the 20 that he took. Mr. Pomphrett had sold 5 and paid Mrs. Gardner for them and returned 3 as he would not be able to sell any more as he was going into hospital in a few days and everyone wished him well and a speedy return to cycling.

Mr. Moore said that he had^e heard from Mrs. Engel that she was having difficulty in selling tickets for some reason as yet unknown, and it was reported that Mrs. Walker had only sold 1, this was thought to be very bad as we usually depended on a large number from the eastern side of the area. It was pointed out that there were several other events on the same day, the London East Fellowship being one of them and it was thought that a number of our members in the east would be attending that function, but it was a pity that no one had bothered to let the Secretary or any other members of the Committee know this earlier when it would probably have been possible to re-date our own event but that it was too late at this time. Mrs. Gardner thought that in future we should bear this in mind when we were arranging any other events for the 40+.

Mr. Wooder said that we were committed to a minimum of 50 people and that if we did not get this number then we would have to pay the Union Jack Club £90 for the hire of the room as well as the cost of the luncheon itself.

Mrs. Gardner said that she had written to the Union Jack Club to see if they could loan us a microphone and if she could not get one from them Mr. Fielden suggested that she looked in some electrical magazines, probably at the local Library, they would surely give adverts for the hire of these items.

Mr. Wooder reminded us that it was admission by ticket only as this was the rule of the Union Jack Club and that he thought they might have a doorman to ensure this was done. Mrs. Gardner said that she hoped we were able to be in with this as she had some gifts for 'Lucky Ticket Numbers'. Mr. Germain agreed to be at the door of the Luncheon Room to take off the ticket numbers for this purpose.

ANY OTHER BUSINESS.

Mr. Finnimore had two items that he would like to be included as Motions for the Agenda and Mrs. Gardner agreed to have these put on the Stencil that she had already prepared and let Mr. Newman have it for printing. The Motions from Mr. Finnimore were -

1. By Deleting the word 'FOUR' from the last line of Rule 3(a)
2. By deleting the words 'IN LONDON' from the second line of Rule 6 (i)

Mrs. Gardner said that she had been in contact with Mr. & Mrs. Bruton and that the Re-Union was booked for the last Saturday in June, 25th at the Usual place.

Mrs. Ford asked whether some of the eastern runs of Mr. Good could be arranged so as to help some of the older and less able members to get out and join up with the section sometimes, and Mr. Wooder, who was going to arrange the new runs list for Mr. Good, who is ill, said that he would do this. He then took a copy of Mr. Rumball's new runs list and that of Mr. Pomphret and said that he would get in touch with Mrs. Walker to have a copy of hers so that he could work out something that did not clash with these sections and that at the same time would help the members that Mrs. Ford had mentioned,

On the same subject, namely the runs of the Club, Mr. Moore said that although he in his section did not get a large number at the elevenses he did get a very large turnout by lunch time and that perhaps this was good because it did save him the effort of trying to manage a large number of cyclists through the traffic.

Mrs. Gardner brought up the matter of Bank Holiday tours and said that so far she had no letters or suggestions for the tours for May Day, Spring or August Bank Holiday at all. Mrs. Ford said why could we not get down into Sussex and join up with the Sussex Section for a day or so and after some discussion Mrs. Gardner said that she would be willing to arrange a trip, based at a Youth Hostel, so as to meet up with Mr. Edgar and his members, saying that it would be a good idea to meet on the Friday night at Kemsing, and then proceed to Truleigh Hill or Arundel, and Mr. Finnimore said that it would be nicer perhaps to meet for the Friday at Crockham Hill, have the trip to the South and then

LOCAL AGENTS FOR THE HALIFAX AND GATEWAY BUILDING SOCIETIES

back to Crockham Hill for the Monday night, going back to our own homes on the Tuesday. Mrs. Gardner said that she would write to Mr. Edgar and see what she could arrange about meeting them and she would let those who do tour ^{what} what she had sorted out.

We had a rather amusing discussion about getting lost and not being able to read a map, but the least said about this I think is the better.

The next meeting was arranged for 16th April and the meeting closed at 2 pm.

LOCAL AGENTS FOR THE HALIFAX AND GATEWAY BUILDING SOCIETIES

Minutes of the Committee Meeting held on Saturday 16th April 1983 at the Castle Public House. Cowcross St. EC3.

2/83

The Secretary opened the meeting at 12 noon saying that as our Chairman Mr. Trueman had died we now had to find another person to do the job and as it was only for 4 meetings and the AGM she did not think it had been worthwhile to hold a special meeting of the Club to elect another Chairman and suggested that we all took it in turns, and this was agreed to, Mr. W.S. Moore being the President was asked to do the job for this meeting.

The Secretary read out apologies from Mr. Collins for absence, and Mr. Pomphrett, who was ill.

The Minutes of the previous meeting, held on 8th January were read and accepted as a true record.

MATTERS ARISING.

Mrs. Gardner reported on her efforts to get a trip for the Bank Holiday of 1st May to meet up with the Sussex Section. The Sussex Leader Mr. Bob Edgar had reported that they do not now ride on Bank Holiday Week-ends and that although he had put the suggestion to some of his riders they could not hope to get more than two folk willing to support the idea, mainly for the reason that some of them were up in Liverpool supporting another event and some were on holiday.

Mr. Turner spoke about the possibility of getting some form of microphone going for the next AGM as Mrs. Gardner had been unable to arrange this for the AGM held on 30th January. Mr. Turner said that he had been speaking to our member Ernie Vesper who had said that he would be willing to rig up a P.A. system for us at no charge to the club. This was generally thought to be a good idea, some mention again being made about the lack of attention at the last AGM owing to the quiet speaking of some members, Mrs. Gardner agreed to write to Mr. Vesper to arrange for the offer to be taken up.

Mention was made about the Re-union, already arranged for 25th June at the Methodist Church Hall in Hertford. The organisers, Mr. & Mrs. Bruton had evidently had difficulty in getting the ~~form~~ booking for the Hall ~~and~~ had managed to get another venue, almost next door. Mrs. Gardner agreed to telephone The Brutons to get the details and to let Mrs. Ford know in time to have it published in the June Issue of Signpost.

SECRETARY'S REPORT, CORRESPONDENCE AND NEW MEMBERS.

The Secretary read out parts of a letter she had received from Mr. W. Hewitt, wherein he had objected to his Magazine Cover being 'Defaced' with a note to say his Subs: had not been paid, and afterwards eating humble pie because he had missed the annual reminder which was given in the Decemner issue of Signpost. Mr. Hewitt also made some suggestions for the re-organising of the arrangements of the Club, the dropping of Subscriptions, and deletion of signpost to members who do not ride or attend now, but these ideas were considered to be not in keeping with the Club Rules, which would nearly all have to be scrapped if these ideas were carried out and Mrs. Gardner said that she would write to Mr. Hewitt to let him know of the Committee's feelings.

The Secretary then spoke about the Advert in Cycletouring which would now have to be paid for if we wished to continue. She said that she had been looking at the areas where new members had been coming from and found that although we do get a large number of enquiries resulting from the advert she saw that new members seemed to come from contacts by members, the enquirers did not ~~join~~ join, and after some small discussion it was agreed to drop the advert at this stage, it seemed to be rather a waste of club funds if it did not bring in new members.

The Secretary read out ^a short letter she had received from Mrs. Trueman thanking us for our support at the Funeral of her late husband Frank, who was our Chairman. The Secretary also read out a letter from our members Mr. & Mrs. Canham who lived in Worthing. It was so funny that she felt the other members of the Committee should share it.

MOTIONS. Suggestion by Mrs. Gardner.

That to qualify for the gift at the age of 80 years I feel that a certain number of years of membership should be completed and would suggest that 10 years be the minimum.

From Mr. R. E. Finnimore.

1. That the word "FOUR" is deleted from the last line of Rule 3 (a)
2. That the words "IN LONDON" be deleted from the second line of Rule 6 (i)

2.
Mr. Turner then again mentioned the Advert and suggested that the Club could perhaps have some small leaflets of information for members to hand out to interested people, Mr. Finnimore said that every time he was approached he just asked for the enquirers Name & Address, this he sent to the Secretary who then sent information out and that this system seemed to work well, and after some small discussion it was agreed to leave it like that. Mr. Drew mentioned some places where he thought that we could possibly get free advertising, like his local paper, and he agreed to look a bit further into that possibility.

Mr. Turner then mentioned ~~the~~ the Signpost for our Member Mr. Finnigan who lived in Wimborne, he said he was a very old friend of his. The copy was read by Mr. Finnigan, then sent to another cyclist in Australia and from there it went on to another address in Australia, and that he, Mr. Turner then often got reports of events in this country from sources half way round the world. During the discussion that followed Mr. Moore remarked that he thought Signpost was definately a better read than the National magazine Cycling.

26 New Members were elected. Prop. Mr. Wooder. 2nd. Mr. Wyatt.

FINANCIAL REPORT.

This report which had been circulated among the members was then accepted. Prop: Mr. Germain. 2nd. Mr. Turner.

MINUTES OF THE A.G.M.

The Chairman then read out these minutes which were accepted. Prop: Mr. Germain. 2nd. Mr. Wooder.

Mr. Germain then queried the actual wording of the amendment to Rule 3(a) that was carried at the A.G.M. it being agreed that the new wording should have been reported as "A Minimum of FOUR" and Mrs. Gardner said that she would add a note to the A.G.M. Minutes to this effect.

ITEMS 6 & 7 To Decide the place and date for the Luncheon & A.G.M. early in 1984. These two items were taken together and the question of either a Saturday or Sunday for these two events, which it had been agreed at the A.G.M. would be held together as last January. It was, after some discussion, agreed to have the two events on a Saturday, at the Union Jack Club as soon as possible after January 1st. The Secretary said she would find out from The Engels of any likely events that we would have to avoid so as not to clash with them, she would travel up to London to see the Manager at the Union Jack Club to arrange a date for the A.G.M. in the morning to be followed by the Luncheon. The meeting generally agreed that a Saturday would be most convenient if it could be arranged so as to help those members who lived in areas where there was either a lack of transport on a Sunday or a very limited amount of trains and buses.

LUTON SECTION.

Mr. Drew the Luton Section Leader spoke about his disappointment at the poor support that the section had been getting. He said that he had tried Tuesdays and Fridays and was now prepared to switch his runs to Sundays to see if this would encourage members to turn out, at least this day would not interfere with the other rides in the areas the section covered, he would programme the next runs list for Sundays, that would be for August, September and October and would make Sunday Runs for July which Mrs. Gardner said she would put on the runs lists. At the same time Mr. Moore mentioned that he would like to see a Watford Section started, he felt that we had members living that way who would support such a section, but it was agreed that Mr. Drew try the Sunday Runs to see how they went and then think about closing the section after that. It seemed a shame to close a section but if the support was not forthcoming it was the sensible thing to do.

EAST HERTS: SECTION.

This section ~~EEEE~~ came into being at the last A.G.M. with as its leader Mr. W.A. Hill. Mr. Hill said that the support was very encouraging, there being sometimes up to 12 members out. They had already had some new members for the club. They had been well received at the Lunch places they supported. They had sometimes made up with Mr. Moore's section when it was possible and he felt that the effort had been worthwhile.

CLUB SLIDE SHOW AT UGLEY.

3.

Mr. Germain asked whether anything had yet been arranged for this for next autumn. He wished to get a date settled, so as not to interfere with the Cambridge Cyclists weekend which was always round about the same time. Mrs. Gardner promised to get in touch with Mr. Clisby about a date when we could have the Victoria Hut and would see that the date published in the June & September issues of Signpost. She would also find about the date for the Cambridge Weekend and have that put in the same copies of Signpost. The date to be 29th October if that was OK.

with Mr. Clisby

Mrs. Ford mentioned that on some occasions during this last quarter runs had been altered from the stated places and she thought that it should be a general rule that runs should be as advertised, and this was agreed to. It being mentioned during the discussion that some of these alterations were due to the fact that The Axe & Compasses at Aythorpe Roding had closed down and that the sections had tried to give the Pub extra support because of the welcome they had always received there.

Mrs. Ford also asked that when presentations were made to our 80 year old members she felt that the presentations should be by members of the committee. Mrs. Gardner saying that after she had asked Mrs. Engel to present the two Tankards at Hatfield Heath she also had thought that this should be so and everyone agreed that in future it would be done, but it could not always be at the same place as it had to be arranged to suit the Receiver and the Presenter but that no doubt it could be arranged quite well in future.

Someone asked whether the charge for the reunion would be the same as last year, owing to the fact that the destination had to be changed, because of the increased fee for the hall. Mrs. Gardner said that she would find this out when telephoning the Brutons and make a definite statement with the note she would put into Signpost. She mentioned that she would not be able to attend the Reunion because she would be away from home in Canada but asked all runs leaders to put the word around and get as many bookings as possible. Mr. Wooder saying that he would be responsible for seeing that the Brutons were kept in touch with numbers and also see that everyone paid and that the Brutons were reimbursed as was usual.

Mr. Newman said that quite recently Mr. L. Clisby had asked him (Newman) if he would do some duplicating for the Victoria Club and He had done this and used some of the clubs paper for the purpose, he did not charge Mr. Clisby for this because of the help we get from Mr. Clisby, who as a member of the 40+ allowed us to use the Victoria Hut on occasions and each year for the club Slide Show. All present agreed that Mr. Newman had acted very fairly and thought it was OK for what he had done.

The date for the next Committee Meeting was arranged for 17th September.

The meeting closed at 2.30pm.

Minutes of the Committee Meeting held on Saturday 24th September 1983 at the Castle Public House. Cowcross St.E.C.3.

The Meeting opened at 12.10pm. with Mr.Moore being asked to be the Chairman. Appologies were received from Mr.Collins, Mr.Hill (Both on Holiday) and Mr. Finnimore and Mr.Newman. (Both ill)

SEE PAGE 3 *****

The Minutes of the Meeting held on 16th April were read by Mr.Moore. and accepted as a true record by all.

MATTERS ARISING.

Mr.Drew mentioned the Luton Section and the very poor attendance he had on runs and said that although there were several members in the district they seemed to go out in little groups but did not attend the runs that he planned and which were printed in the run-s lists. He had spoken to Mrs.Doris Bazely about this and she had said that she would try to get a member named 'Ron', Mr.Drew did not know who this chap was, to take the section on and she was sure that he would do this. Mrs.Gardner then mentioned that she had not received a runs list for Nov. Dec. & Jan from Mr. Drew but had thought that this was because he had decided not to continue with the section, but Mr.Drew said that he would try to get some programme worked out for these months and let people know, but did not expect much response. Mrs. Gardner then suggested that Mr.Drew find out who 'Ron' was and get him to attend the A.G.M. so that he could be elected as the Luton Section leader and then perhaps we could get the section going. Mr.Drew said that he would do that.

Mr.Turner then mentioned the Microphone that Mr.Vesper was preparing for the A.G.M. saying something about it not being quite suitable but that another type would be used, Mr.Rumball also spoke about this and Mrs.Gardner then said that perhaps it would be a good idea if she wrote to Mr.Vesper to find out if it was OK about the Mike as she felt it was very nesecary now as she had difficulty in speaking and a mike would certainly be of help to her. Everyone agreed that she should write to Mr.Vesper.

The question about the booking for the Annual Luncheon came up and Mrs.Gardner said that all was booked and ready. The Menu had to be decided and after some discussion it was agreed to have the Menu "B"

The Letter received from Len Clisby was read ~~and~~, this was about the use of the Victoria Club hut for the Club Slideshow on Saturday 29th October. It was proposed by Mr.Rumball and seconded by Mr.Wooder that we accept the use of the Hut for that date, and all agreed

Mrs.Gardner said that as soon as she heard about the death of our Member Mr.A.F.Kilby she had written to his family and also asked if the business was being carried on, if not she would make some arrangements for the collection of our Stencils that Mr.Kilby held. She had a reply from Mrs.Burrow (Mr.Kilby's Typist) to the effect that they would be carrying on and would be pleased to do our work for us and everyone agreed to let it carry on like that. It was mentioned by Mr.Wooder that Mr.Newman had a friend in Welling who would be pleased to help us if we were in need. The proposal to keep with Mrs.Burrow was by Mr.Wooder and seconded by Mr.Turner.

Mr.Wooder then said that he had been asked by Mr.Newman for the committee's approval for the purchase of some more paper for the printing of the Magazine and Runs Lists. Mrs.Gardner said that it was always Mr.Newman's habit to ask before he purchased materials and Mr.Wooder was instructed to tell Mr.Newman that it would be OK for him to get the necessary papers.

Mrs. Gardner then read out a letter she received Mrs. Sharon Crettin, the Neice of our member Lew Pemberton, who had died, Mrs. Crettin thanked us for attending the Funeral.

24 New Members were elected, being proposed by Mr. Wooder and seconded by Mr. Germain.

Mr. Moore then said that the new members who lived at the Vicarage at Cadding-ton, were actually the Vicar and His Wife.

The Financial Report was read out and it was agreed that we still seem to be in a healthy position, it was accepted by all the proposer being Mr. Turner and seconder Mr. Wyatt.

ANY OTHER BUSINESS.

Mr. Wooder mentioned the articles that once belonged to Mr. Pemberton and said that two Tyres had been sold and the proceeds sent to Mrs. Crettin. It was learned that Mr. & Mrs. Cheesman had a bicycle at their home and that their son liked it and they were prepared to buy it for him and after some discussion it was agreed to ask £10 for it, it was learned that any other items that we sold from Lew's cycling things the club were to have the money, and this was evidently Lew's idea. Mr. Wooder said that he would contact Mr. Newman about these items, Mr. Newman evidently had them in his possession, and the sale prices would then be sent on to Mrs. Gardner.

It was learned that Mr. Engel was no longer able to attend to the delivery of Signpost and some thought was given to the delivery now because Mr. Engel did take a great deal of them. Mr. Fiedden said that he would take all the ones he usually delivered and if Mr. Newman passed to him all those for Mr. Drewn Mr. Moore and Mrs. Collins he would see that they were handed to these members, he also thought that Mr. Hill would be able to take some. Mrs. Gardner said she would get in touch with Mr. Hill to see what he could take, she would also ask other people what they could take, Mr. Scrutton being in her mind as Mr. Engel had taken all of Mrs. Walkers batch when Mr. Scrutton took over the leadership of the Thursday "A" Section from her. She agreed to bring up the register of members at the next meeting so that Mr. Moore could have a look at his batch, and then perhaps others could agree to some as well. She also agreed to ask Mr. Newman about the problem to see what suggestions he could offer.

Mr. Wyatt said that Mr. Ron Taylor, our member at Ramsgate would be willing to deliver those other members down that way and Mrs. Gardner said that she had a letter from Mr. Taylor that morning and thought that we may be getting a small section going soon in East Kent.

Someone mentioned that problem about having our sandwiches at Pubs at lunchtime and that they had now lost another Pub, but evidently gained another, Mrs. Gardner said that this was always happening, new managers came and went, it seemed inevitable that it would go on all the time.

Mrs. Gardner then mentioned about the Bank Holiday tours, saying that we should at least be thinking about where we would go at Easter 1984, no one seemed to be able to solve this problem, Mr. Germain mentioned that we should really be putting the venue for Easter, May Day and Spring in the December Magazine but after a long discussion it was thought that members were not very interested in Bank Holiday Tours now, and Mrs. Gardner said that she would get in touch with Mr. Finnimore about Easter, but it was agreed not to print anything in the December Signpost but that if some members would like to have a tour they could arrange it themselves and make their own bookings.

Mr. Turner then said how nice it was when they all went to the Coach & Horses at Hatfield Heath and of the welcome that they always got there.

Mr. Turner also said that our Member in New Zealand, a Mr. Rudkins had written to him, but at that juncture Mrs. Gardner said that we did not have any members in New Zealand, Mr. Turner was very surprised and immediately filled in an application Form and paid the Subscription for Mr. & Mrs. Rudkins, Mrs. Gardner saying that she would give them the usual items. She agreed, at Mr. Turner's request to have the Rudkin's Signpost given to him and he would always sent it with his letters.

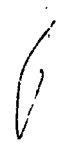

Mr. Turner then brought up the suggestion that other members had sometimes put, that we have small Name Labels to wear at meetings, but this did not bring in any support.

The meeting closed at 2pm. The date for the next meeting being arranged for Saturday 7th January 1984. A Vote of thanks was tendered to the Chairman.

To be read with page 1 at the place shewn. ****

As soon as the Chairman had been elected Mrs. Gardner brought up the question of an expense that Mr. Scrutton had put in for, it was for the purchase of an O.S. Map for club runs. As Mrs. Gardner had never had this sort of thing before she had thought that it should be put to the committee for their approval and as Mr. Scrutton was not able to stay until the items "Any Other Business" she thought that they could deal with it then. Mr. Moore wondered if we would be creating a precedent, but others thought that if the map was to be used for club purposes then the cost should be allowed and Mrs. Gardner was instructed to pay Mr. Scrutton.

Dear Mr. Stracey,

13th September 1983

Thank you for your letter asking for details of the 40+ CC. I am sending herewith the current runs list and hope that you will be able to join up with us on some of the runs.

The general rule is that we meet at the elevenses venues, then ride together to lunch, usually taken at a pub where we can get a drink to have with our sandwiches. Then together again or in twos and threes, each rider dropping off as the most useful turning for home comes along. Those who live at an awkward distance from the elevenses places ride out and meet the others at lunch.

The membership fee is £1. each per year. £1.25 for Husband & Wife. After one year full membership one can commute for 5 years for £4. Husband & Wife for £5. Anyone joining after 30th June in any year just pays half the fee for that year. An application for membership form is enclosed, but do not commit yourself yet, come along and have a ride or two, see how you get on and whether you like us first. Just turn up at the meeting place and make yourself known to the leader, I am sure you will be made welcome.

We produce our own magazine "Signpost", which goes out free to all members each quarter. It is made up of items from Members, the stencils done by one of the Ladies, printed by one of the Chaps and over half of the copies are hand delivered, a truly club effort.

We have Bank-Holiday tours, usually based at Youth Hostels, but we do not promote any racing, though we do have in our midst quite a number of Members who, in their more youthful days did race, true they do not now go as far or as fast as they once used to but they do still ride regularly for their own pleasure. Although we are the 40+ we are mainly in the 60+ region and do have many members in their 70s so I am sure you would be OK with us for pace and distance.

Members can, and often do, ride with more than one section, you will see this from the runs list. If you are in any area where there is a run you will be welcome to join in and we all look forward to meeting you.

Sincerely,

Israel D. Gardner
